

The Angler ST-100 is a special purpose trailer tire developed specifically for use on travel trailers, pop-up campers, boat trailers, toy haulers and fifth wheels. This range features a rounded profile which helps improve ride quality. Its symmetric tread design with closely spaced ribs provides increased contact patch for straight tracking and highway stability. The construction of the ST-100 features twin steel belts with a nylon overlay and polyester body-ply which provides stability, puncture resistance and durability. The range also utilizes a special compound that offers increased mileage and fuel efficiency.

**KEY FITMENTS** TRAILER**SIZE SUMMARY**

Rim: 13-16
Width: 175-235
Aspect Ratio: 75-85
Speed Rating: M
Load Range: C, D, E
